

Horizon Place

Kwai Chung

Sino Land's Horizon Place development at Kwai Luen Road in Kwai Chung comprises two 31-storey towers housing 372 units. Floor areas range from 565 sq ft to 802 sq ft for both two- and three-bedroom units. Chief among the selling points for the project is the sea view towards the Tsing Ma Bridge and Rambler Channel, made possible due to the site's hillside location.

Residents will also appreciate a well-equipped clubhouse at Horizon Place, covering 26,000 sq ft. Facilities include a waterfall pool, a children's wading pool, a Jacuzzi, a Japanese hot spring-style spa, a jogging path with foot massage area, a children's playground and a barbecue area. Indoor facilities include a home theater, a fitness room, a table-tennis room, a children's games room, a sauna, a Jacuzzi and a computer room. The development's podium also houses four levels of car parking areas.
